# KODIAK SUPER TACK

## Recommended Application Rates

Use concentrated, organic **KODIAK SUPER TACK** at specified rates consistent with other approved tackifiers to get superior results. Test data indicates **30% less KODIAK SUPER TACK** will perform at levels equal to or better than competitive brands. Specific application rates will vary according to climate, season, terrain, and soil type.

<b>SLOPE:</b>	<b>Flat</b>	<b>4:1</b>	<b>3:1</b>	<b>2:1</b>	<b>1:1</b>
<b>Kgs/Hectare:</b>	<b>40</b>	<b>45</b>	<b>50</b>	<b>60</b>	<b>70</b>

## Safe Handling and Use (not a plant food product)

**Precaution:** Inhaling dust may irritate the lungs and/or cause allergic response in some individuals. Use caution as material will become slippery on wet deck surfaces. Store unused quantities in a cool, dry place.

## Mixing Instructions

For best results add concentrated, organic **KODIAK SUPER TACK** to agitating water before adding mulch, seed or other ingredients.

**Net Weight 5 lbs.**
